FE Sent For:

<END>

\$803,100 (-\$277,000 GPR and -\$526,100 FED) in 2014-15 and reduce funding by \$381,800 PR in 2013-14 and increase funding by \$803,100 PR in 2014-15 to reflect a funding reestimate.

6. *Divestment (Paper #325)*. Adopt the modifications, which would specify that individuals would not be eligible for MA if they had life insurance with cash surrender values if the total *face* value of all life insurance policies, including riders and other attachments, is more than \$1,500.

7. *Medical Assistance Purchase Plan (Paper #326)*. Delete provision. Decrease funding by \$170,800 (-\$72,700 GPR, \$77,200 FED, and -\$175,300 PR) in 2013-14 and increase funding by \$2,020,400 (\$1,553,200 GPR, \$2,719,900 FED, and -\$2,252,700 PR) in 2014-15 to reflect the net fiscal effect of deleting this item from the bill.

8. *Family Care Expansion to Northeast Wisconsin (Paper #327)*. Require DHS to develop a comprehensive projection of the expected future change in the need for publicly funded community-based long-term care. Direct the Department to include consideration of: (a) projected future growth trends in populations likely to access services; (b) potential or projected shifts in the use of Medicaid-allowable alternatives for this population; (c) the comparative cost efficiency of Medicaid-allowable services options to meet the needs of this population; (d) strategies to control the growth in Medicaid long-term care costs; and (e) strategies to promote keeping individuals in their own homes to reduce or delay entry into publicly-funded long-term care programs. Require DHS to submit a report summarizing the results of this analysis to the Joint Committee on Finance by December 14, 2013.

9. *MA Quarterly Reports*. Require DHS to continue to submit quarterly reports to the Joint Committee on Finance containing the following information on the state's MA program: (a) updated descriptions of any MA program changes implemented by DHS, including a description of any amendments to the state MA plan; (b) updated estimates of savings that DHS expected to realize as a result of program changes; and (c) updated projections of the total MA benefit expenditures during the biennium and an analysis of how these projected expenditures compare to the funding provided in the 2013-15 and subsequent biennial budget acts.

10. *ACA and BadgerCare Eligibility Changes -- Administration (Paper #329)*. Modify the bill as *follows*.

Adopt Alternative A1. Increase funding by \$7,625,300 (\$3,965,100 GPR and \$3,660,200 FED) in 2013-14 and reduce funding by \$5,725,200 (-\$2,977,100 GPR and -\$2,748,100 FED) in 2014-15 and delete 1.0 position (-0.50 GPR position and -0.50 FED position), beginning in 2013-14.

Adopt Alternative B1, which would adopt the Governor's recommended funding level for contracted services.

Adopt Alternative C2. Reduce funding by \$400,400 (-\$200,200 GPR and -\$200,200 FED) in 2013-14 and by \$200,200 (-\$100,100 GPR and -\$100,100 FED) in 2014-15 to fund the additional central management staff positions at current minimum salary levels for each classification.
